Office of the Inspector General of Police in Mysore

No. 502/104 Ex:1 Dated Bangalore 15 June 1889

To

The Chief Secretary to the Dewan
of Mysore.

Sir,

16-88-1

With reference to para 3 of my letter No. 1457/312 dated the 11th September last, I have the honor to submit for information an extract from the Diary of the Police Assistant Commissioner French Rocks bringing to notice the urgent necessity of having an additional office establishment. I addressed the Deputy Commissioner of Mysore on this subject more than once and have been expecting but have not received his reply. The Sub-Division of

French

French Rocks is as regards size nearly as much as Hassan or Chitaldroog, and stands at least on a par with them as regards work. I think therefore that the Sub-Division Police Assistant should have an additional hand, a head Moonshi in order that office work should be conducted satisfactorily and with despatch and punctuality.

2. It is also necessary that the Sub-Divisional Police Assistant should have a Head Quarter Inspector for prosecution and detection work. Since the new provision of the Criminal Procedure Code forbade investigating officers to prosecute cases, nearly the whole work of prosecuting cases has fallen on Head Quarter Inspectors. The Head Quarter Inspector at Mysore cannot be spared for prosecution at French Rocks or before the Seringapatam

Munsiff Magistrate, the two Superior Magistrates in the Sub-Division.

3. The Sub-Division Police Assistant Commissioner should likewise have a small Reserve force consisting of one first class Duffedar and 6 Constables.

4. I am perfectly satisfied that this additional establishment is absolutely necessary in the interests of efficient administration and hence my recommendation that the same may be sanctioned. The pay of the French Rocks Head Quarter Inspector may be fixed at Rupees 60 + 15 horse allowance, which is slightly higher than the pay of the Taluk Inspector of the first grade. The pay of the Head Nomahi may be fixed at Rupees 30 per mensem. The additional establishment proposed therefore is as follows:—

Head Quarter Inspector — 60 + 15.

No. 1 Moonshi - - - - - - 30.

Duffedar of the 1st. grade - - 13.

Constables 2, 1st. grade
and 4 Second grade } - - 38 -

Total 156 per mensem

I beg the favor of your placing these proposals before the Dewan and of — obtaining his early orders. —

I have the honor to be
Sir,
Your most obedient Servant.

I again beg to bring to notice the very great disadvantages under which I have been working since I assumed charge of the Sub-Division Police. I have but two Inspectors whose time is fully occupied from 7 in the morning to nearly the same hour in the evening every day of the week. Sundays also included. Again for want of an Head Quarter Inspector and a proper Reserve, I have to attend to every little thing myself. To remedy this I submitted my proposals in July 1888 and in the Annual Police Report for last year

I

I referred to this Subject, but received a reply from the Deputy Commissioner to the effect that I should await the orders of Government. I leave it to the Inspector General to say how it is possible for me to manage the work of a Sub-Division, which is as large as either the Chitaldroog or Kadur Districts, with only two Inunchies, and I respectfully solicit that very early Sanction may be accorded for the entertainment of the Establishment recommended by me
